THE FIGHT GAME.

By Paul Terry.

The fight game draws all sorts of crowds. A big rooster is worked out by the old farmer while Waffles, the cat trains an orangutang.

On the day of the big fight the stands are packed with Milling Millions.

The gong sounds and two frankfutters fight. -- A mouse eats the winner of that round. The rooster knocks out the mouse. The orangutang and the rooster knock out Al, the referee.

Aesop says:-

"There are a lot of false alarms that don't attract the fire department."
